### **C.V. Catherine Mooney**

I have been a resident in Fulmer for the past 7 years.

Professionally, I have spent 15 years in HR and the last two years in an HR leadership position with Skanska, a global property and construction company.

I feel I would be a suitable member for the Fulmer Sports and Community Association Committee as I have a keen interest in the village of Fulmer and King George's Field. I have two children ages 5 and 6, who attend Fulmer infant school and who use the facilities at King George's field to play tennis, football and also make use of the playground facility.

I have had involvement with the Fulmer Day Committee for two years in 2017 and 2018 and have also been one of 3 organisers of the Fulmer village Christmas Party held at the Village Hall.

I would enjoy the opportunity to contribute to the Committee.

### **C.V. Ian Finan**

Resident in Fulmer since November 2000:

#### **Business background:**

Retired from a career in banking and financial services in 2016. Since then I have been running a wig shop in Paddington mainly working with hospitals and a charity to supply people needing a wig for medical reasons.

#### **Other interests and activities:**

I work in the winter as a volunteer mountain representative for the Ski Club of Great Britain and remain a keen skier. I am a golfer and member of Harewood Downs Golf Club where I can be found a couple of times each week. I also love mountain biking and am out most weekends exploring trails around South Bucks.

#### **Reason for election to FCSA:**

I am passionate about both Fulmer and outdoor activities in general. I played both football and cricket at a younger age and am so pleased to see it thriving in Fulmer. I love the life we have in Fulmer and am keen to put back into the community and help King Georges Field develop further as a thriving community hub for all.

#### **Past involvement with FSCA or Fulmer village activities:**

I have been attending events in Fulmer, such as fireworks nights, Fulmer Day and the village Christmas event, for the past 20 years, but have not had the time previously to devote more effort to the community.

### **C.V. Charlotte C Rakowski**

I have been a resident since November 2015

#### **Career**

I have been a fashion and homeware designer for 23 years for large lifestyle brands and retailers in America, the UK and Europe. I have focused my time over the last 5 years focusing on sustainability and launching brands (Fashion, Home, Beverage) that bring better quality and sustainable products to the market. I am passionate about the natural environment and the roles people and business play to protect it.

#### **Other Interests and Activities:**

I am a keen lover of nature and sports, spending time with my family and friends, surfing, paddle boarding, mountain biking and walking in natural woodlands. My 3 children (Ages 8,7,5) are active in local sports and play regularly for local tennis, cricket and football teams including GXFFC. My family are often seen at KGF training, playing on the KGF playground and walking our dog, Gus.

#### **Fulmer Activities:**

I am passionate about living in the village of Fulmer and promoting local events that bring the community of all ages together. I sit as a trustee for the PTA of Fulmer Infant School (Friends of Fulmer), volunteer regularly with the Fulmer Conservation society and I have volunteered or sat on committees to plan and help out with local Fulmer events like Fulmer Day, May family day and Bonfire night at KGF for the past 3 years.

I am keen to stay on as a committee member to help keep the community spirit of village life here in Fulmer and am very pleased to be involved with the development of KGF as a thriving community hub for many years to come.
